Hi Florin,

Super news. UK will continue to accept workers from Romania and from all EU countries without any restrictions or additional bureaucracy.

Keep sending CVs. Experience is not a must, we have flexible employers ready to train.

We're so happy to see the students applying for a summer job here in the UK. The program is a success and we've just started. Many thanks from all of us for the great work.

Looking forward to meeting you at the conference.

Warm regards,
Jennifer
